

Mothers' Union Bristol Diocese Trustee Board need help!

We are looking for a trustworthy and reliable person to attend meetings, take notes and write up minutes to be sent out to trustees, preferably within a couple of weeks of the meetings taking place.

If you are computer literate and a good organiser this is an opportunity to contribute to the work of this amazing organisation and develop and improve your own skills through this voluntary, but important role.

Trustee meetings are held around 5 times a year by zoom, and occasionally but very infrequently in person.
